STATE OF ALABAMA

Greetings,

As governor of the great state of Alabama, I extend my sincerest well wishes for your second annual Alabama Women Leading Government Conference!

The power of women working together has long been a catalyst for change in our society and world. Over the past 200 years, our state has stood at the forefront and has proudly produced many trailblazing women.

Through organizations like Alabama WLG, women continue this legacy by tackling important causes and being leaders within their community.

As someone who has spent a large portion of my career in public service, I understand that women face many obstacles. However, with perseverance they can overcome those challenges. As one of the few female governors in the nation and only the second female to serve Alabama, I'm proud to proclaim that sometimes the best man for the job is a woman!

At this conference, I encourage you to sharpen your leadership skills, network with other female leaders, and discover ways that you can work together to improve yourself and your community.

I salute you for not only investing your time and energy in serving the public, but also in your own self-development. I hope that your organization will continue to prosper and inspire the next generation of women leaders.

I extend my best wishes for a successful conference. Have some fun as well!

May God bless each of you and the great state of Alabama!

Sincerely,

A handwritten signature in black ink that reads "Kay Ivey". The signature is written in a cursive, flowing style.

Kay Ivey
Governor
